Acknowledgments

TUITION PAYMENT

I/We understand that prompt payment of tuition and fees ensures the necessary cash flow for the operational expenses of the school and that it is a condition for children to remain in the school.

I/We understand the enrollment fee is payable at the time of enrollment, and that tuition is due July through June or September through June as determined by my choice through the FACTS tuition program and is considered late if not paid on the date choice as determined by me through FACTS tuition program.

I/We understand that a late fee is charged if this deadline is not met.

TUITION ASSISTANCE

I/We understand that if I am awarded tuition assistance, I am also bound by the stipulations stated in the offer letter.

DELINQUENT TUITION PAYMENT

I/We understand that if I/we neglect to pay our tuition on time, or do not make our monthly tuition payments, a temporary or permanent dismissal of my/our child/ren may result.

I/We understand the financial assistance process must be utilized and initiated by the parent(s) each year. There is no reason for an account to become delinquent with established procedures and parent communication.

COLLECTION OF OUTSTANDING TUITION AND OTHER FEES

I/We understand that if I/we incur an outstanding balance, the school may transfer all outstanding balances to a collection agency and that outstanding balances could prevent me from being offered re-enrollment for the following academic year.

NSF (Non-Sufficient Funds)/RETURNED CHECKS

I/We understand that at any time during the school year, checks that are returned from the bank unpaid may accrue an additional charge of \$35.00 per returned check and that replacement payment must be made by cash or money order. If the check is for tuition, a \$30.00 late fee will be collected through the FACTS tuition program.

I/We understand that this includes any and all monetary transactions for daycare, sports, field trips, fundraisers, etc.

SERVICE REQUIREMENTS

I/We acknowledge that I/we have received, read, understand, and agree to abide by the Service Hour Expectations.

I/We understand that if my/our child has entered the school after the school year has begun, I/we am/are expected to perform/buy out the remaining service hours requirements on a prorated basis.

I/We understand that if my/our child leaves the school before the school year is ended, I/we am/are expected to perform/buy out the current service hours requirements on a prorated basis.

These terms and conditions are to be acknowledged and agreed upon as part of the enrollment process.
